## Yoder's Receipts Procedure

As of January 2009 we are no longer collecting Yoder's receipts to turn in. The process is now automated through Yoder's Gold Card Program. When you register your gold card, the system will automatically credit your student's account with the 1% back, without having to save the receipts or having the extra work of adding them up and having both the boosters and Yoder's double-check the totals.

There are two months of the system totaling, then one month off for administrative purposes. Yoder's has timed the "off" months to be lower volume sales months - they are January, May and September.

Each student has been assigned an ID number (which is designated during registration) to have their account credited. Friends and family members may register their Gold Card to be tied to your student's ID as well. For those who don't have a specific student to support but would like to be of help, there is a Band Booster ID they can use to support the group as a whole.

During the off month, Yoder's will send a report that lists each student's total for the month, as well as a check issued to the Band Boosters for the credited amount. The Boosters will then credit each student's account for use toward trips, etc.

If you haven't registered yet, go to the customer service desk at Yoder's for help or log on to [mycommunityrewards.com](http://mycommunityrewards.com) and click on the Yoder's Market logo and then "Register your Gold Card" in the menu to the left.
