## **Band Parents and Students:**

### **A Few Details concerning this fundraiser:**

- 1. This is a first come first serve fundraiser. We have 500 tiki torches.**
- 2. Therefore, we will have two “delivery” dates--May 8th and May 19th. We will hand out tiki torches at the band room both days from 3:00-5:00 p.m. until the tiki torches are gone.**
- 3. Students will bring their forms those days. We (as fundraising committee) will write down how many tiki torches they took. Payment is due at time of delivery and once they have the monies, they need to place the monies in the white box in the band room (only checks or money orders--we will not be responsible for cash).**
- 4. Each student will make \$4.50 per torch for their account.**
- 5. Any questions, please do not hesitate to contact me, Abby Keiser, at 717 413 6483.**
